Leadership Training Sessions Held As Prelude to YMCA Camps

The Torrance YMCA Leader's Club has just concluded the first of two series of training sessions in preparation for summer camp. Thirty-five high school and college students have been meeting regularly since October in order to prepare themselves for volunteer leadership roles in twelve sessions of Torrance YMCA Camp next summer.

Under the leadership of Advisor Frank Renz and President Julius Meier, the group has hosted many speakers who are experts in youth work. Three ministers visited the group, Gilbert Zimmerman, Herbert Schneider, and Dwaine Cerbin. In addition, films, discussions and practical problem-solving sessions add to the training experiences.

THE GROUP will undergo a second series of training events in the next two months which will conclude with a week end practice session at one of the YMCA camps.

The young leader will be joined by nearly 100 volunteer dads as they guide more than 1000 local boys and girls through various camp experiences throughout the summer.

THE FIRST listing of Torrance YMCA camps are as follows: Sacramento riverboat trip for boys 12 and older, June 17 to 24;
